

ELBOW LANE DAY CAMP FRIDAY FLYER

WEEK 4

Can you believe it? Today marks the end of our first four weeks! Boy, the first half of the season just flew by - it is proof that "time flies when you're having fun", and Week #4 was no exception! On Monday, we kicked-off our Hockey/Figure Skating Week (it was a real bonus having an indoor activity when it was so hot outside). Our skaters really improved their skills over the week--I was quite impressed! (Apologies in advance if your children come home asking for more lessons--skating does get into your blood. Today's weather was perfect--hot, humid but not too much sun, for our much anticipated "**Water Fun Day**" for Inters and Srs. It was highlighted by a 15-foot slide in pool 2, water relays, the obstacle course, Water Tag, Captain Hook and the Wipeout water slides, and our FOAM PIT. The Minors were entertained by the Bucks County Zoo, and the Majors went bumper bowling at Thunderbird Lanes. Finally, the 7th graders left on Thursday for a trip to Hershey Park, staying overnight in Allentown and are joining the CIT's at Dorney Park today. Don't forget to check our Photo Album and Video pages to view the highlights of this past week-- www.elbowlane.com

SEE YA, to those of you who will be leaving us today! All the Staff wish you a continued fun summer and a healthy, happy school year -- SEE YOU NEXT YEAR! (There are still a few spots remaining for extensions if you change your mind!)

.....Most of you will be staying into the second session, and you can bet that there are more great activities and special events coming up! With our Carnival next week, Music Videos, Overnight/Extended Day, and Olympics (plus much, much more) to come, we are ready for MORE FUN in the second four weeks! Further details will follow as we get closer to future special events....**SPECIAL NOTE FOR 12-YR OLDS AND UP** - Mike Guckin of *Underwater World* will be offering a **Jr. Scuba Certification Course** during Minicamp #2 (August 21-25).
